CASE STUDY

WYNDHAM HOTEL & RESORTS: CAPITAL PLANNING BUILDING & INFRASTRUCTURE

BUSINESS CHALLENGE

BV was initially hired with the primary goal to help Wyndham Resorts procure accurate capital planning data for the roofs & roofing systems of their properties.

SCOPE OF WORK

BV Client: Wyndham Hotels & Resorts

Industry Type: Hospitality

Services Provided: Capital Planning based for roofs and roofing systems

Size & Location: Nationwide.

BV SOLUTION

BV's consistency of scope execution and accuracy of findings lent to a significant drop in insurance claims which earned our satisfied client millions of dollars in credits issued by their insurance provider for reinvestment. What began as a 7 site test pilot evolved into BV being the sole provider for capital planning across the entire Wyndham portfolio.
